AccuFund Receives 5-Stars in CPA Practice Advisors' Not-For-Profit Software Review.

AccuFund Accounting Suite Honored with Top Marks for Core Functions, Deployment Options, Reporting, Scalability, Security, Integration and Support.

Needham, MA, August 14, 2018 – AccuFund, Inc. (www.accufund.com), a nonprofit financial management specialist, received a 5-Star Rating in CPA Practice Advisors' 2018 Not-For-Profit Software Review. CPA Practice Advisors assessed AccuFund's Nonprofit Accounting System in the areas of basic system functions, core fund accounting capabilities, add-on module selection, financial statements and reporting, integration, security, and support.

CPA Practice Advisors describes, "AccuFund for nonprofits is a robust accounting and financial management application designed for nonprofits and government entities. AccuFund is an excellent choice for mid-sized nonprofit organizations that need to track a variety of funds, allocations, grants, and donors."

Deployment options play an integral part in financial management decision-making. CPA Practice Advisors adds, "Available as an on-premise product as well as a cloud-application, AccuFund also offers smaller nonprofits a good option to upgrade from standard accounting software to a more nonprofit specific application. Scalable, users can purchase the modules they need and add the rest at a later date."

Product strengths detailed in AccuFund's 5-Star Review include:

- Variety of product deployment options for on-premise and cloud/online
- Strong set of core modules
- Robust selection of add-on modules
- Seamless integration with Salesforce for fundraising/development activity
- Multi-level security, with each user assigned an access level that corresponds to their position

Additional highlights of AccuFund's 5-Star Review include:

- "Supports multiple year end closings, making it easy to track multiple programs and locations"
- "Handles multiple transaction types including actual, encumbrance, allocation, budget and budget revision, and both memo entries and closing entries"

- Manage and track donors and donations with Salesforce, which integrates with the core AccuFund application and handles donor and relationship tracking, donation tracking, and campaign management
- “A variety of standard report templates are included in the module, with all templates fully customizable as needed. All AccuFund Reports can be viewed on screen, printed, emailed to recipients, exported to Microsoft Excel or to a CSV file, or saved as a PDF or HTML file”

“It’s an honor to be recognized with 5 Stars by CPA Practice Advisors. We value their assessment of AccuFund Accounting Suite and appreciate the role our clients and value-added resellers play in offering support and enhancements that continue to help position AccuFund as a top-rated fund accounting solution for nonprofits and governments,” explains AccuFund general manager and vice president, Ian Scotland.

The AccuFund Nonprofit Accounting Systems offers all the core modules nonprofits and government entities expect: General Ledger, Financial Report Writer, Budget Reporting, AP, Cash Receipts, Bank Reconciliation, Forms & Report Generator, Dashboards and User Security System.

Robust add-on modules include: Budget Development, Payroll & Labor Distribution, Grants Management, Human Resources, Fixed Assets, AR with Inventory and Responsible Party Billing, Allocation Management, Purchasing with Inventory, Online Requisitions, Loan Management, and Representative Payee.

AccuFund also offers payroll clients a robust Employee Web Portal for time sheet and self service benefits.
