

## Nonprofit Fundraising and Accounting Solutions

When organizations streamline their accounting and fundraising processes, they spend less time on administrative duties and more time servicing their donors and fulfilling their mission.

**"In the 16 years I've been here, it was the easiest audit we've ever gone through and I attribute that to AccuFund."**

That's exactly what happened with our featured client, [The Friends of the Cumbres & Toltec Scenic Railroad](#), in this [Case Study](#). They automated and centralized their accounting and fundraising functions.

*How did they do it?* Using 5-Star Rated **AccuFund's Accounting Suite** and **AccuFund CRM**.

[AccuFund Accounting Suite](#) was awarded 5-Stars by publisher CPA Practice Advisors, giving AccuFund high marks for flexibility and scalability, complete non-profit management including grant management and donor management capability, reporting, extensive budgeting options and an extensive selection of add-on modules offered.

[AccuFund CRM for Salesforce](#) is a cloud-based fundraising and constituent relationship management (CRM) solution designed to optimize and customize a Salesforce donor database to improve your organization's development, management and fundraising activities. Donated components for nonprofits include:

- Donor & Relationship Management
- Donation Tracking
- Marketing Campaigns
- Reporting, Analytics & Forecasting
- Social Networking
- Pledge Management
- Approvals & Workflow
- Email & Productivity
- Content Library & Document Management
- Honor/Memorial Tracking
