

At AccuFund's Spring 2014 meeting in Chicago, IL it honored its highest performing business partners for 2013. Top honors for the year went to Mountaineer Computer Systems for overall sales leader. Other sales leaders included NFP Technology for non-profit sales and Binnacle Technology for online sales. The awards presentation was part of the spring meeting to update partners on latest releases and provide product training. To read the full press release [click here](#).
