Join us in the Boston, Massachusetts area and benefit from hands-on training to help enhance and streamline your reporting functions. Three training sessions available:

Financial Report Writing

Training includes running and building financial reports as well as reviewing the many options for accounting periods. The use of classifications, when appropriate, will also be reviewed.

Monday & Tuesday, October 20-21, 2014

Location: Boston Area, Massachusetts

Standard Report and Forms Writer

Training will cover understanding the Report and Columnar report writers. We will review getting data from the various modules of the system and working with payroll data.

Wednesday & Thursday, October 22-23, 2014

Location: Boston Area, Massachusetts

Advanced Reporting/Payroll Reporting Topics (Requires Standard Report Writer)

Training provided on understanding Variables, DBGets, Report Filters, Quick Reporting and image storing and reporting.

Friday, October 24, 2014

Location: Boston Area, Massachusetts
