

CPA Practice Advisors Honors AccuFund with 5-Star Rating for its Nonprofit Accounting System.

AccuFund receives top marks for scalability, core functions, capabilities, reporting, integration and support. Product strengths detailed in AccuFund's 5-Star Review include:

- Both on-premise and online/cloud version available
- Strong set of core modules
- Excellent selection of add-on modules
- Seamless integration with Salesforce
- AccuFund for Nonprofits provides a degree of flexibility in its product offerings, giving users the choice of a traditionally installed product, an online version of that same product, or AccuFund Anywhere, the cloud-based version of the product.
