

The Financial Accounting Standards Board (FASB) issued new accounting standards updates specifically for nonprofits (ASU 2016-14) to improve the current net asset classification requirements and the information presented in financial statements and notes about a nonprofit entity's liquidity, financial performance, and cash flows.

AccuFund has prepared not only its own nonprofit accounting software, AccuFund Accounting Suite, but also compiled a variety of resources including Nonprofit Quarterly webinars, original FASB ASU 2016-14 documentation, blog articles and popular white papers to help nonprofits successfully adapt to these new standards.
