

CPA Magazine in its October 2006 issue has recognized the AccuFund Accounting Suite for non-profits as one of the Top 5 not-for-profit products . The article mentions AccuFund's ability to get users the reporting they need in a less-than-three step process. "Without a doubt, it's the easiest reporting functionality I've seen to date" states the article. Jim Wheeler, of ADVOCAP in Fond du Lac, Wis. is quoted "In 23 years of accounting experience, I have never used any software like it. AccuFund is the best software I have ever seen."
